CUSTOMIZABLE MAINTENANCE PACKAGES

Fabtech has developed FABcare to ensure that your foodservice or laundry facility keeps running smoothly without interruption. In an effort to improve the health and efficiency of our projects, we have developed customizable maintenance packages that aim to decrease the overall ownership cost of kitchen and laundry equipment.

ADVANTAGES

- Total lower cost of ownership.
- Longer equipment life.
- Lower operation and energy costs.
- Less down time, especially during peak operation periods.
- Smaller likelihood of equipment failure.
- Emergency service costs reduced.
- Essential maintenance done during off hours.
- Less chance of food spoilage.
- Better health inspection scores.
