

An educational institution and learning center dedicated to the making of famous Italian dessert Artisanal Gelato from premium and all-natural ingredients. Named after the original training facility of IceTeam 1927 Cattabriga, Gelateneo Philippines aims to bring gelato in our country to the next level by equipping both newcomers and long-time professionals alike.

Indulge in the Sweetness of Life

Gruppo Dolci is a local food company that specializes in producing and distributing premium ingredients and finished products. They have grown from just having one retail shop in 2010 to a reputable wholesale provider of specialty products in the span of just a few years.
